I'm so sorry to hear that! Thanks for the email. I just got back to my desk and saw that I had a voicemail from Gina as well. If you guys are able to meet today between now and 1, let me know and I'll give Larry a call to make sure that he's still available.

(b) (6) and am only getting in now. I will check in with Gina to see when we are scheduled to talk. I will apologize to Larry when we speak on the phone!

Hey Lisa and Gina,

I hope you guys are well. I wanted to check in about the meeting with Swinomish this morning at 9. We were on the phone for about ten minutes, but I told Larry that I would contact you so that we could reschedule. He is available today between 11 and 1. Unfortunately, I'm not available the rest of the week (training in Portland) and then he's out off the office until the 1st.

If between 11 and 1 doesn't work, let's shoot for meeting after the 1st of June.

Thanks!
Tiffany
